

宇部新川駅～ときわ公園～交通局

平日 平成29年10月1日改正

Table with columns for route numbers (e.g., 76, 25, 21), destinations (e.g., 宇部新川駅, 宇部中央, 市役所前), and arrival times for various stations and points along the route. The table is organized into rows for each route and columns for each station/point.

Table with 48 columns and 28 rows. Columns include route number, route name, destination, and various station names. Rows represent different train services and their arrival/departure times at various stations.
